Consent For Photography, Interview, Video/Audio Taping, Televising, Internet Imaging

You are being asked for your consent to one or more of the following:

- have your photograph taken;
- be videotaped;
- have your voice recorded; and/or,
- be interviewed for your personal story (including health information, provided at your discretion).

You may refuse to give your consent. This will not affect your treatment, employment, and/or affiliation with University Health Network (UHN) in any way.

By checking the box to give consent you give permission to UHN (Toronto General Hospital, Toronto Western Hospital, Princess Margaret Hospital, Toronto Medical Laboratories and affiliated charitable Foundations) or any other persons authorized by UHN to take and produce photographs, films, sound recordings and any other audio and/or visual reproductions of myself to take or collect and use my photograph, video image, voice recording, and/or personal interview, for possible use in any form of distribution without restriction.

I understand that pictures, images and recordings used on the web or by news media reside in the public domain and as such UHN shall not be held responsible for such use. I understand that this image, recording, or information may be maintained and used in the UHN Archives, as well as in media archives, and I consent to such use. I further agree that UHN may use, publish, and otherwise deal with the images, recordings, or information as they see fit.
